

Charterhouse expands their Classic and Vintage Vehicle Department

Charterhouse Auctioneers in Sherborne, Dorset are pleased to announce the appointment of two new members to their classic and vintage car and motorcycle division.

“We have been conducting specialist classic car and motorcycle auctions since 2001. During this time we have sold millions of pounds of vehicles from clients in Scotland to Cornwall,” commented Richard Bromell. “With a large workload and covering the country it is a natural progression to appoint more specialists to advise our clients.”

Chris Bright joins the classic and vintage vehicle department having previously run the same department for “Tennants” in North Yorkshire. A self-confessed petrol head he has had a long term interest in cars and motorcycles and is currently enjoying an early MGB GT with his fiancée.
