

Perfect Presents

There are perfect presents for Christmas for him and for her in the Charterhouse two day November auction in Sherborne.

“The November auction has a great selection of silver, jewellery and watches which are hugely popular with private clients looking for a special Christmas present and dealers looking to stock up for the busy festive season,” commented Richard Bromell.

For him, in the watch section, is a gentleman's stainless steel Rolex Oyster Perpetual Datejust wristwatch. It comes to auction with its box and papers and is estimated at £3,800-£4,200.

For her, in the jewellery auction, there is a large diamond ring. With a central stone of just under 6ct mounted within a surround of smaller diamonds, this is estimated at £24,000-£28,000. (see images below).

However, if the above blows the budget there is a special section of cultured and other pearls being sold with the proceeds going to support The Royal British Legion.

Charterhouse are now accepting further entries for these auctions of silver, jewellery and watches on 4th November, wine, port and whisky on Friday 5th November and coins, medals, stamps and collectors' items in December.
