

Classic Country House Furniture at Charterhouse

The Charterhouse huge two day auction on **Thursday 24th and Friday 25th August** includes a great selection of country house furnishing removed from Capard House, County Laois, Ireland.

“Although we are based in the West Country, we travel far and wide visiting and advising families looking to sell their antiques and collectors’ items” commented Richard Bromell. “Last month we were instructed to sell items removed from Crimonmogate House in Scotland and this month it is furnishings from Ireland, although I must admit the furniture and other items have been in storage in Britain for some time so I did not get a trip to Ireland!.”
