

## Valentine's Day Auction

The Charterhouse auction on Valentine's Day includes a great selection of jewellery, watches and silver, with estimates from £50 to £35,000.

“Whilst bidders do not usually tell us in advance why they are looking to buy a lot, part of me hopes in this Valentine’s day auction some of the gems might end up being given as a token of love over dinner later on,” commented Naomi Grabham. “However, perhaps for the couple in perfect tune, there is the opportunity to buy each other his and hers 18ct gold Rolex wristwatches!”
