

Superior Motorcycle at Auction

A 1937 Brough Superior SS80 in the Charterhouse auction of vintage and classic motorcycles on **Thursday 26th October** is estimated at £65,000-£70,000.

“Brough Superiors are held in the highest regard by all motorcycle collectors and this SS80 will a great addition to any collection,” commented George Beale.

This pre-war British bike was bought as a box as bits in the 1990’s. It then took the owner over 20 years to restore the bike back to the day it left the factory and is only sadly for auction due to poor health.
